**Whippany, NJ (January 22, 2008)** – NJBIZ, New Jersey's leading statewide business newspaper, announced and honored the top fifty businesses that have made significant contributions to the growth, strength and success of New Jersey during the *New Jersey's Finest* event held at The Palace in Somerset Park on Wednesday, December 5, 2007. Consultedge, Inc. a leading provider of voice and data solutions that drive business value, is proud to announce its inclusion on this year's list of New Jersey's fastest growing businesses. This is the third year Consultedge has been included among *New Jersey's Finest*.

In addition, Consultedge was named one of the nation's 50 Fastest Growing Solution Providers by Computer Reseller News (CRN) magazine in 2005, 2006, and 2007, one of the nation's most prestigious technology publications in the US.

"We are honored to once again be included in the NJBIZ New Jersey's Finest list," said Neal Stanton, President and CEO of Consultedge Inc. "This is our third consecutive time being recognized and it validates our belief that growth is driven by consistently bringing significant value to our clients."
