

Consultedge Recognized by Catalyst Telecom

Consultedge Earns Honors at Catalyst Telecom Event on Hilton Head Island

(Whippany, NJ, September 6, 2007) - Consultedge, Inc., a leading provider of unified voice and data communications systems, was honored by Catalyst Telecom at the company's Convergence Connection, an annual partner conference in Hilton Head, South Carolina.

Consultedge won the ECG Growth Award, which honors the company for dollar bar growth and a growth percentage for the period from April 2006 to March 2007. John Black, President of Catalyst Telecom, presented the awards in conjunction with the company's premier vendor partners at Catalyst's Convergence Connection, which unites resellers with leading converged communications vendors.

"Our goal has always been to provide our clients with communications solutions that improve their business performance and value. Our ability to solve problems and deliver real value is what distinguishes Consultedge from other solution providers," said Neal Stanton, President and CEO of Consultedge. "We're proud of the strong partnerships we have with best-in-class companies like Catalyst and Avaya."

Consultedge was named one of the 100 fastest growing technology solution providers in the nation by CRN Magazine in 2005, 2006 and 2007. In 2005 and 2006 Consultedge was selected by NJBiz's for its Fast 50 annual ranking of the fastest growing companies in New Jersey.
