

John Freeze Joins Consultedge, Inc.

(Whippany, NJ October 16, 2007) — Consultedge, Inc., a leading provider of converged voice and data communications systems, has appointed John Freeze as Director of Sales, Southeast Region. In his new role, Mr. Freeze will direct Consultedge's expansion through a strategic program to align the company's services with leading IT consultants and broaden Consultedge's regional presence in the converged voice/data, wireless and network security sectors.

"John Freeze is an exceptional addition to our company," said Neal Stanton, President and CEO of Consultedge. "His acute understanding of the potential and limitations of technology, combined with a keen appreciation for customer needs and business process, arms us with a proven leader in driving new business and attracting the brightest people to our company. John's appointment reflects our strong commitment to serving current and future clients throughout the Southeast."

Mr. Freeze is a respected consultant, financial planner and business manager, with extensive experience building high-performance organizations. Prior to joining Consultedge, he was responsible for National and Strategic Business Development with Catalyst Telecom. Previously, Mr. Freeze served in multiple capacities with Duke Energy Corporation, playing key roles in the merger of two multi-billion dollar energy firms and leading the implementation accounting strategies for a centralized services function with an annual budget of more than \$300 million. Mr. Freeze founded and served as president of Proven Path Consulting, Inc.

"I am pleased to join an organization with Consultedge's experience, personnel and vision for the future," said John Freeze. "Consultedge's expertise and commitment to customer service distinguishes it from other companies in the region. We're well-positioned for continued growth, and I'm looking forward to contributing to that growth." Mr. Freeze is based in Consultedge's Charlotte, NC office.

John Freeze holds a MBA from the University of North Carolina at Charlotte, with a concentration in Organizational Behavior and Executive Communication. He earned his BS in Electrical Engineering from North Carolina State University in Raleigh, NC. Mr. Freeze is a Certified Instructor for Decision Mapping Sales Process, and a Certified Practitioner of HelixPLAN facilitation methodology.
